PRESS RELEASE

SAVE MONEY ON ELECTRICITY BILLS!

The Association “Europeos por España” (EporE) has signed an agreement with electricity supply company, Endesa, which offers important price discounts and a whole range of services to members of the Association. At a time when many people are complaining about the cost of electricity in the Balearics, this agreement offers EporE members discounts of between 5% and 17% depending on each individual electricity and/or gas contract.

The preferential service offered to EporE members from Endesa includes;

- Guaranteed bills every 2 months, based on real meter readings, not estimated monthly bills.
- Bills can be sent to addresses elsewhere in Europe, including the UK, Ireland and Germany.
- On-line information with a personal code (in English if required).
- An “energy efficiency study” and assistance with solar energy proposals.
- Emergency service 365 days a year with the first 2 hours work free (and further hours charged at €25 per hour).

These services and discounts are only available to members of Europeos por España but as membership only costs €20 per year, many people will save that amount on their first discounted electricity bill.

You can join EporE and sign up to take advantage of this offer at various locations on Mallorca including.

Go-Logo (Gran Via 45, El Toro), Mon-Fri, 10.00-14.00
